Our group is committed to providing the best in compassionate care, informed by the most current advances in medicine. We are there, when and where our patients need us – in hospitals, outpatient facilities, medical offices, and health and wellness programs. We are our patients' partners in health, continuously raising the standard of care for our patients and their families. Visit us at Northwell.edu/PhysicianPartners.

Northwell Health

Northwell Health is New York State's largest health care provider and private employer, with 22 hospitals, over 550 outpatient facilities and nearly 15,000 affiliated physicians. We care for more than two million people annually in the metro New York area and beyond, thanks to philanthropic support from our communities. Our 62,000 employees – 15,000+ nurses and 3,900 employed doctors, including members of Northwell Health Physician Partners – are working to change health care for the better. We're making breakthroughs in medicine at the Feinstein Institute. We're training the next generation of medical professionals at the visionary Hofstra Northwell School of Medicine and the School of Graduate Nursing and Physician Assistant Studies. And we offer health insurance through CareConnect. For information on our more than 100 medical specialties, visit Northwell.edu.
